**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODS, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULE
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The above-captioned debtor (the “Debtor”), by and through its undersigned counsel, is filing its Schedule of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “SOFA”) in the United States Bankruptcy Court for the Southern District of Texas, Victoria Division (the “Bankruptcy Court”). The Debtor prepared the Schedules and SOFA in accordance with § 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statement of Limitations, Methods, and Disclaimers Regarding the Debtor’s Schedules of Assets and Liabilities and Statements of Financial Affairs (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of the Schedules and SOFA. These Global Notes should be referred to and reviewed in connection with any review of the Schedules and SOFA.

The Schedules and SOFA have been prepared by Brad Walker, the Debtor’s Chief Restructuring Officer in consultation with the Debtor’s management team and advisors and are unaudited and subject to further review and potential revision. In preparing the Schedules and SOFA, the Debtor relied on financial data derived from the Debtor’s books and records as it was available at the time of preparation. Mr. Walker, the Debtor’s management, and advisors have made reasonable efforts to ensure that they are as accurate and complete as possible under the circumstances. However, subsequent information or discovery may result in material changes to the Schedules and SOFA, and inadvertent errors or omissions may exist. Notwithstanding any such discovery or new information however, the Debtor may, but shall not be required to, update the Schedules and SOFA.

Reservation of Rights. Nothing contained in the Schedules and SOFA or these Global Notes shall constitute a waiver of any of the Debtor’s rights or an admission with respect to its bankruptcy

case, including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or recharacterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

Description of the Case and “as of” Information Date. On May 15, 2024 (the “**Petition Date**”), the Debtor filed a petition for relief with the Bankruptcy Court under chapter 11 of the Bankruptcy Code. A detailed description of the Debtor, its business, and the facts and circumstances supporting the Schedules and SOFA and the chapter 11 case are described in detail in the *Declaration of Brad Walker in Support of the Debtors’ Chapter 11 Petitions and Requests for First Day Relief*, which was filed on May 17, 2024 [Docket No. 19 in Case No. 24-60018].

Given the nature of the case and the Debtor’s assets, the valuations given are estimates at varying points in time. This is because those values fluctuate over time and, given the nature of the Debtor’s business and its assets and liabilities, the Debtor is presenting these filings in its best attempt to “mark to market” the types of assets it owns in each category of assets and liabilities. In some instances, equipment values have been stated as set forth in recent valuations conducted on such assets.

Amendment. Although reasonable efforts were made to file complete and accurate Schedules and SOFA, inadvertent errors or omissions may exist. Thus, the Debtor reserves all rights, but shall not be required to, to amend or supplement its Schedules and SOFA from time to time as may be necessary or appropriate.

Basis of Presentation. Although these Schedules and SOFA may, at times, incorporate information prepared in accordance with generally accepted accounting principles (“**GAAP**”), the Schedules and SOFA do not purport to represent or reconcile financial statements otherwise prepared or distributed by the Debtor in accordance with GAAP, income tax basis, or otherwise. To the extent that the Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that the Debtor shows more liabilities than assets, this is not an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to the Petition Date.

Insiders. For purposes of the Schedules and SOFA, the term “insiders” shall have the meaning set forth in Bankruptcy Code § 101(31).

Persons listed in the SOFA as insiders have been included for informational purposes only. The Debtor does not take any position with respect to (a) such person’s influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Recharacterization. The Debtor has made reasonable efforts to characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in

the Schedules and SOFA correctly. The Debtor reserves all rights to recharacterize, reclassify, recategorize, and redesignate items reported in the Schedules and SOFA at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts listed herein were executory as of the Petition Date or remain executory post-petition and whether leases listed herein were unexpired as of the Petition Date or remain unexpired post-petition.

Summary of Significant Reporting Policies.

Current Market Value and Net Book Value. In many instances, current market valuations are neither maintained by nor readily ascertainable by the Debtor. The Debtor has used its best efforts to estimate the assets value or provided that the value is unknown. Where indicated, the disclosures may provide that the retail value is provided. Additionally, as set forth above, certain of the values have been provided based upon recent valuations of assets of the Debtor.

Liabilities. Unless otherwise indicated, all liabilities are listed as of the Petition Date.

Credits and Adjustments. The claims of individual creditors are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Undetermined Amounts. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.

Totals. All totals that are included in the Schedules and SOFA's represent totals of all currently known amounts included in the Debtor's books and records as of the Petition Date. To the extent that there are undetermined amounts, the actual total may be different from the listed total.

Classifications. Listing a claim (a) on Schedule D as "secured," (b) on Schedule E as "priority," or (c) on Schedule F as "unsecured priority," or listing a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's right to recharacterize or reclassify such claim, contract, or lease.

Claims Description. Any failure to designate a claim on a given Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves all rights to dispute, or to assert any offsets or defenses to, any claim reflected on its respective Schedules on any grounds, including, without limitation, amount, liability, validity, priority, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor, and the Debtor reserves the right, but shall not be required, to amend the Schedules accordingly.

Guarantees and Other Secondary Liability Claims. The Debtor has used reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the "Guarantees") in its

executory contracts, unexpired leases, secured financing, debt instruments, and other such agreements. The Debtor's review of its contracts in such regard is ongoing. Where such Guarantees have been identified, they have been included in the relevant Schedule for the Debtor. Further, certain Guarantees embedded in the Debtor's executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. Thus, the Debtor reserves its right to amend the Schedules to the extent that additional Guarantees are identified. In addition, the Debtor reserves the right, but shall not be required, to amend the Schedules and SOFA to recharacterize or reclassify any such contract, lease, claim, or Guarantee.

Causes of Action. The Debtor, despite its best efforts, may not have listed all of its causes of action (filed or potential) against third parties as assets in the Schedules and SOFA. The Debtor reserves all of its rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and SOFA shall be deemed a waiver of any such causes of action.

Schedule A – Real Property. The Debtor's failure to list any rights in real property on Schedule A should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

Schedule B – Personal Property. Personal property owned by the Debtor is listed in the Schedule B. To the extent that the Debtor has not been able to identify the actual physical location of certain personal property, the Debtor has reported the address of the Debtor's principal place of business.

Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by its terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

Schedule D – Creditors Holding Secured Claims. The Debtor reserves the right to dispute or challenge the validity, perfection, priority, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtor's assets in which such all creditors may have a lien has been undertaken.

The descriptions in Schedule D are intended to be only a summary. Reference to the applicable agreements and related documents and a determination of the creditors' compliance with applicable law is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and SOFA shall be deemed a modification or interpretation of the terms of such agreements or related documents.

Schedule E – Creditors Holding Unsecured Priority Claims. Listing a claim on Schedule E as "unsecured priority" does not constitute the Debtor taking a position on the legal rights of the claimant. The Debtor expressly reserves the right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under section 507 of the Bankruptcy Code.

The claims listed on Schedule E arose, or were incurred on, various dates and a determination of each date upon which each claim arose, or was incurred, would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on

Schedule E, however, appear to have arisen, or to have been incurred, on or before the Petition Date.

Schedule F – Creditors Holding Unsecured Nonpriority Claims. Listing a claim on Schedule F as “unsecured nonpriority” does not constitute an admission by the Debtor of any legal rights of the claimant. The Debtor expressly reserves the right to assert that any claim listed on Schedule F does not constitute an unsecured nonpriority claim (including the right to assert that any such claim constitutes a secured or priority claim). Additionally, noting that a claim on Schedule F is “subject to setoff” does not constitute an admission by the Debtor of the legal rights of the claimant. The Debtor expressly reserves the right to assert that any claim listed on Schedule F is not subject to setoff or dispute any claim to such setoff.

Certain creditors may assert mechanic’s, materialman’s, or other statutory liens against the Debtor for amounts listed on Schedule F. The Debtor reserves its right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule F.

The claims listed on Schedule F arose, or were incurred, on various dates, and a determination of each date upon which each claim arose, or was incurred, would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule F, however, appear to have arisen, or to have been incurred, prior to the Petition Date.

Schedule G – Executory Contracts and Unexpired Leases. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, the Debtor’s review is ongoing, and inadvertent errors, omissions, or over- inclusion may have occurred.

The Debtor reserves all its rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in Schedule G. The Debtor may be a party to various other agreements concerning real property, such as supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, office services, and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G. Further, the Debtor is a party to master service agreements with numerous entities for which the Debtor is not currently performing work pursuant to those agreements. Such agreements are not set forth in Schedule G. Also, the Debtor has not listed on Schedule G monthly service contracts for which the Debtor is not obligated long-term and can cancel at any time.

Schedule H – Co-Obligors. Although the Debtor has made every effort to ensure the accuracy of Schedule H, inadvertent errors, omissions, or inclusions may have occurred. The Debtor hereby reserves all rights to dispute the validity, status, and enforceability of any obligations set forth on Schedule H and to further amend or supplement such Schedule as necessary.

The Debtor further reserves all rights, claims, and causes of action with respect to the obligations listed on Schedule H, including the right to dispute or challenge the characterization or the structure

of any transaction, document, or instrument related to a creditor's claim. The listing of a contract, guarantee, or other obligation on Schedule H shall not be deemed an admission that such obligation is binding, valid, or enforceable.

SOFA – Transfers Outside of the Ordinary Course of Business. Nothing in the Debtor's response to Question 13 constitutes an admission by the Debtor that such transfers were outside of the ordinary course of the Debtor's business.
